<b>Description</b>	
<p>The lazy feature is really great; let's tell users about it with video! As part of the RC and GA release users should be able to view a 2-min video describing:</p> <ul style="list-style-type: none"><li>• what the lazy feature is</li><li>• a quick look at its options</li><li>• a super quick look at the feature in use</li></ul> <p>See this blog post about making the video: <a href="http://www.pulpproject.org/2016/01/06/screencasting-with-open-tools/">http://www.pulpproject.org/2016/01/06/screencasting-with-open-tools/</a></p> <p>This can be posted on the blog. This isn't really an issue, but I made it one because I wanted to add a Target Release of 2.8.0 onto it.</p>
