

RPM Support - Issue #1897

catalog entries not created for pre-existing units

05/04/2016 08:29 PM - mhrivnak

Status:	CLOSED - CURRENTRELEASE	Start date:	
Priority:	High	Due date:	
Assignee:	jortel@redhat.com	Estimated time:	0:00 hour
Category:			
Sprint/Milestone:			
Severity:	3. High	Groomed:	No
Version:	2.8.2	Sprint Candidate:	No
Platform Release:	2.8.5	Tags:	Pulp 2
OS:		Sprint:	Sprint 2
Triaged:	Yes	Quarter:	
Description			
When syncing a repo with download policy of on_demand, if it associates units to the repo that were already in pulp's DB, the sync does not create catalog entries. It should create catalog entries at least for any units where downloaded=False.			
To reproduce:			
<ul style="list-style-type: none">• create a repo with on_demand and sync it• see catalog entries for those units in the DB• delete the repo• see there are no catalog entries for those units in the DB• re-create the same repo with on_demand and sync it• see that there are no catalog entries for those units in the DB
