<b>Description</b>	
This was a feature in Pulp2: <a href="https://pulp.plan.io/issues/2324">https://pulp.plan.io/issues/2324</a>	
Unfortunately the Pulp3 logging system has changed enough that this could not be merged directly. We need to get this feature working again with the Django logging system.	
The PR to enable is in Pulp2 is here: <a href="https://github.com/pulp/pulp/pull/2924">https://github.com/pulp/pulp/pull/2924</a>
