Triage Notes

- "Medium" Priority ; [#4383](#)
- ... would be super nice to have an update on this... ansible-galaxy, ceph?
- They have an S3 api; molecule...
- ceph/S3 is part of the test fixture (storage for artifacts/objects... like files).
- Extension of the ... test matrix?
- Use ansible to setup ... Pulp running.. to use S3?
- ansible-installer to do magic to configure pulp to your S3/Ceph account..
