Description PULP_MANIFEST does not update correctly when delete an unit PULP_MANIFEST does not update correctly to publish files with iso_distributor via fast-forward (refer to the issue[1]) when deleting an unit. Reproducing steps: 1. Create an iso repo 2. Upload an iso to the repo 3. Delete the iso and check the iso and PULP_MANIFEST, the iso file was removed but metadata is still in PULP_MANIFEST [1] https://pulp.plan.io/issues/4708 .
