

Pulp - Story #5280

As a user, I can rsync deduplicated content to the remote servers

08/14/2019 02:21 PM - ipanova@redhat.com

Description	
If some content is shared between the repos then it will be rsynced as many times as it present in the repos. We need to find a way how to de-duplicate content when rsyncing to the remote server.
