

Migration Plugin - Task #5632

Story # 3821 (CLOSED - CURRENTRELEASE): As a user, I can migrate from Pulp 2 to Pulp 3

Mark changed/removed Pulp 2 repositories/importers/distributors

10/29/2019 11:44 AM - ttereshc

Status:	CLOSED - CURRENTRELEASE	Start date:	
Priority:	Normal	Due date:	
Assignee:	ttereshc	% Done:	100%
Category:		Estimated time:	0:00 hour
Sprint/Milestone:	0.1.0	Tags:	
Platform Release:		Sprint:	Sprint 63
Groomed:	Yes	Quarter:	
Sprint Candidate:	No		
Description			
Introduce a new field <code>not_in_pulp2</code> on models for <code>Pulp2Repository</code> , <code>Pulp2Importer</code> , <code>Pulp2Distributor</code> pre-migration. It should be <code>False</code> by default.			
At pre-migration stage set <code>not_in_pulp2</code> to <code>True</code> for the resources which are no longer in Pulp 2. Only check/change resources for a specified plugin type! Don't rely on id of resources but on their <code>object_id</code> when performing search/lookup.			
There is an <code>is_migrated</code> flag already on the mentioned models, it should be set to <code>False</code> if relevant timestamps for resources change. The migration stage should take <code>is_migrated</code> into account.			

Associated revisions

Revision 0f45434a - 11/02/2019 07:37 PM - ttereshc

Mark changed or removed resources

Also support the case if a resource has been re-created in pulp2, aka has same name or resource id but different `object_id`.

closes #5632 <https://pulp.plan.io/issues/5632>
