Triaged:	Yes	Quarter:	
Description			
Hitting "invalid value for "description", the character length must be great than or equal to 1.", this is another empty string validation bug. Probably should allow empty strings here along with the other fields. Ruby bindings file: pulp_rpm_client-3.1.0b1.dev01574445230/lib/pulp_rpm_client/models/rpm_package_group.rb
