Description

Helm 3 supports OCI for package distribution. Chart packages are able to be stored and shared across OCI-based registries.

As a user i should be able to pull and push helm charts into the Container Registry

<https://helm.sh/docs/topics/registries/https://medium.com/@Oskarr3/giving-your-charts-a-home-in-docker-registry-d195d08e4eb3>
