

Python Support - Issue #7128

Python Publications can't be created if the synced content is on_demand

07/13/2020 11:50 PM - gerrod

Status:	MODIFIED	Start date:	
Priority:	Normal	Due date:	
Assignee:	gerrod	Estimated time:	0:00 hour
Category:			
Sprint/Milestone:			
Severity:	2. Medium	Groomed:	No
Version - Python:		Sprint Candidate:	No
Platform Release:	3.0.0	Tags:	
Target Release - Python:		Sprint:	
OS:		Quarter:	
Triaged:	No		

Description

Steps I followed to find the issue

1. Create an empty python repository
2. Create a remote with one or more packages in include (I used shelf-reader) and have policy be on_demand
3. Sync repo with remote
4. Try to create publication with latest repo version

I got the following error traceback:

```
"description": "'NoneType' object has no attribute 'sha256'",
  "traceback": " File \"/usr/local/lib/pulp/lib64/python3.7/site-packages/rq/worker.py", line 886, in perform_job\n    rv = job.perform()\n File \"/usr/local/lib/pulp/lib64/python3.7/site-packages/rq/job.py", line 664, in perform\n    self._result = self._execute()\n File \"/usr/local/lib/pulp/lib64/python3.7/site-packages/rq/job.py", line 670, in _execute\n    return self.func(*self.args, **self.kwargs)\n File \"/home/vagrant/devel/pulp_python/pulp_python/app/tasks/publish.py", line 65, in publish\n    write_simple_api(publication)\n File \"/home/vagrant/devel/pulp_python/pulp_python/app/tasks/publish.py", line 128, in write_simple_api\n    checksum = content_artifact.artifact.sha256\n"
```
