<b>Description</b>			
While triaging a Katello issue, a user requested filtering by build date; however, when I went to look to see if that was exposed in the docs I didn't see it (but was able through my setup to check what Pulp returned to me when requesting Package information). Docs in question -- <a href="https://pulp-rpm.readthedocs.org/en/latest/tech-reference/yum-plugins.html#rpm">https://pulp-rpm.readthedocs.org/en/latest/tech-reference/yum-plugins.html#rpm</a>
