

Debian Support - Task #8643

Rework the API docs

04/28/2021 09:07 AM - quba42

Status: NEW	Start date:
Priority: Low	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0:00 hour
Sprint/Milestone: Wishlist	Tags:
Platform Release:	Sprint:
Target Release - Debian:	Quarter:
Groomed: No	
Sprint Candidate: No	
Description	
I would like to systematically go through the strings used for the API docs, to ensure they provide all the critical information for users.
