#### Description

pulpbot needs to be ported to a matrix bot. join pulp-meeting. For karma we should use [the generic karma bot](#), so that is out of the scope for this ticket.

Here are some example matrix bot guides: <https://github.com/4nd3r/tiny-matrix-bot>  
<https://matrix.org/docs/guides/using-matrix-to-make-chatbot-software-from-the-1960-s-available-in-2018>

The pulpproject.org website[0] needs to be updated with information about the new channels.
